

**Progetto Felder**  
**Proposal template**

Title: \_\_\_\_\_

Acronym: \_\_\_\_\_

Principal Investigator Name: \_\_\_\_\_

(max 10 pages, - min font size 11 points)

**State of the art and objectives:** *please describe the **current state of the art** and how your proposal will lead to a new work bringing novelty and originality in your field. **Clearly define the objectives** against the chosen context. Make also reference to **existing previous research in the same field** as well as to previous projects already funded and how they might be complementary to your work.*

**Innovation and methodology:** *please explain the **methodology** applied and how its application in the chosen field will represent an innovative approach.*

**Impact:** *Please include a description of the **impact** of your project at European and international level and how it may open up new horizons or opportunities for science and technology. In addition to the above, please describe how the **FELDER** funding will help strengthening your project management competences and prospectively lead you to the participation to European and/or international calls for proposals. If appropriate, make reference to any national and/or international call already selected for the purpose of funding your research.*

1

**Workplan:** *Please include a detailed workplan as well as a Gantt chart. Your workplan should demonstrate the feasibility of the activities proposed for the duration of the **FELDER** grant.*

**Budget:** *Provide Budget information and distribution of funds in the proposed budget (publication costs, travel and subsistence costs, costs for the organization of workshops, materials, participation to Info-days, etc.)*

**Partnership/ Network:**

*Please describe the complementarity of the partnership and/or network you intend to involve and the added value it will bring to your project. Please make reference to any previous collaboration and how you plan to involve them in activities beyond the duration of the **FELDER** funding, if appropriate.*

GRANTS – Submitted proposals and grants of the PI, relevant to the present project proposals and obtained over the last 5 years

*Grants*

**Early achievement track record (max 4 pages)**

*The Principal Investigator (PI) must provide a list of achievements reflecting their track record. The applicant should list:*

- 1. Publications in major international peer-reviewed multi-disciplinary scientific journals and/or in the leading international peer-reviewed journals, peer-reviewed conferences proceedings and/or monographs of their respective research fields, highlighting those as main author or without the presence as co-author of their PhD supervisor (properly referenced (including all authors), field relevant bibliometric indicators may also be included);*
- 2. Research monographs and any translations thereof;*
- 3. Granted patent(s);*
- 4. Invited presentations to peer-reviewed, **internationally established conferences** and/or international **advanced** schools;*
- 5. Prizes/Awards/Academy memberships.*
- 6. H-index (if appropriate to the research field)*

*Please remember to enclose:*

- Curriculum vitae (max 2 pages)
- A copy of your three most important publications
- Self-certification, or certification, in accordance with Article 3 of Italian Presidential Decree no. 445/2000, of stable permanence abroad (point N°2 of the Requirements)
- Name of your current institution and e-mail addresses of two foreign experts whom to ask a letter of endorsement (confidential)
- Self-certification, or certification, in accordance with Article 3, of Italian Presidential Decree no. 445/2000, of any periods of hiatus of the doctoral programme per Article 1.1 of the present decree.
